- **600 dpi resolution**
- **USB interface**
- **Weighs just 5kg**
- **5,000 page/month duty**
- **Compact desktop design**
- **SDIP-27 Level B Compliant**

## Description

The SP1100TI TEMPEST Mono Laser printer is perfect for personal use where a fast and reliable mono printer is required.

The SP1100TI TEMPEST SDIP 27 Level B mono laser printer is based on the HP P1100 printer for reliability and compatibility. The small size doesn't mean small performance...it delivers first page out in less than 9 seconds with a 18 pages per minute print speed. Using HP's FastRes 1200 technology the output is effectively 1200dpi for crisp black text, clear details and superb image quality.

The printer fits easily on a desktop or into SST's rugged case-based mobile TEMPEST office solution. The SP1100TI TEMPEST printer is delivered with a high-speed USB 2.0 Port and retains all the functionality and ease of use of the original equipment.

The SP1100TI is designed for the most stringent TEMPEST applications requiring compliance to SDIP-27 Level B and compliments the range of TEMPEST products, more details of which can be found at [www.sst.ws](http://www.sst.ws)

# SP1100TI TEMPEST SDIP-27 LEVEL B MONO PRINTER

## PRODUCT SPECIFICATION

### MAIN FEATURES

#### Print Technology

Monochrome Laser

#### Print Quality (black)

600 x 600 dpi (black, best quality)

#### Print Quality (Colour)

Not Applicable

#### Print speed (Black, A4)

Up to 18 ppm (A4 normal)

#### Print speed (Colour, A4)

Not Applicable

#### First page out

< 9 seconds from powersave or ready mode

#### Processor Speed

266 MHz

#### Memory

2MB (standard)

#### Recommended monthly page volume

250 - 1500

#### Duty Cycle (monthly A4)

5,000

#### Interfaces

USB (2.0) standard

#### Print languages

Host-based printing

### TEMPEST

TEMPEST to SDIP-27 Level B

NATO Zone 1 (AMSG 788A)

### Compliance

CE Compliant, Energy Star®

IEC 60950, IEC 60825, IEC 61000, EN55024

### ENVIRONMENTAL

#### Physical

Height 196 mm

Width 349 mm

Depth 238 mm

Weight 5.3kg approx

#### Power

220 - 240 VAC, 50/60Hz

360W (printing), 1.4W (ready)

#### Temperature

+17.5°C to + 25°C (Operating)

### PAPER HANDLING

#### Paper Handling (input)

150 sheet input tray

10 sheet multipurpose priority input tray

#### Paper Handling (output)

100 sheet output

#### Standard media sizes

A4, A5, A6, Letter, B5, legal, executive
